The SMAA is always seeking interested volunteers to assist us with our programs. We would appreciate hearing from anyone interested in contributing his or her time and talents. Interested, call the Athletic Office at 847-459-9908.

At many of our games and programs the SMAA operates a concession stand. Parent volunteers are assigned to work by the concession coordinator. Revenue generated by these concession stands helps with the cost of operating the athletic programs. ALL parents are required to work, NO EXCEPTIONS. Failure to work your assigned shift will result in the forfeiture of your child's participation. **In the past, the SMAA offered parents the option of working concession duty or paying a fee - enrollment at St. Mary's is down from past years and so is the number of students participating in our programs and therefore ALL parents will be required to volunteer their time in the concession.**
